

St. Boniface School

Kids In Action Club

This group of young people works diligently throughout the year to make an impact on our school, parish and local community. At the beginning of each school year, members choose a number of service projects that will make a difference by improving their community or bringing awareness to an issue. We commend this year's club members and thank them for their efforts:

Avery Battle
Isabella Browning
Alonzo Dickerson
Melissa Howard
Devin Vassar

Nathaly Bracero
Raelynn Chesher
Jasmine Graves
Santo Luis Munoz
Tatumn Wharton

Andrew Browning
Rebecca Dennany
Kass Griffith
Kehaulani Newman

Staff Monitors: Mrs. Debbi Kampel, Mrs. Ginny Hampton & Mrs. Lauren Mock

Kids In Action is a club that we have in our school. We do random acts of kindness for people in need, like when we made hundreds of sandwiches for a food pantry who gave them to the homeless and needy. At one meeting, we **made dog treats**. The treats that we made are going to be sold at the Fish Frys. The money we make off of the dog treats is going to be given to an organization who will give it to the people of Australia who are fighting vicious wildfires in their country. Making these treats with my friends was a lot of fun and doing these kind acts makes me feel good about myself and makes me want to do more kind things for people who deserve and need it.

Andrew Browning Grade 8

Busy Bags These bags were made for children who are waiting for their parents at the CAIN food pantry (Churches Active In Northside). They are created with plastic bags and ducktape. There were only three steps to make them!

1. Make two long strips of tape by folding two strands of tape together.
2. Put tape along where the white spaces are all around the bag and put two strands with the tape like a loop to make it look more like a bag and so it is easier to carry.
3. Lastly put items inside of the bag and then you're done!

All of the Kids in Kids in Action helped make all of these bags. The bags contain a book, a coloring page, and crayons. Some have advanced coloring pages and some have coloring pages for younger children. All of these coloring books are free for everyone and are excellent ways to fight boredom.

Kehaulani Neumann Grade 6

Kids In Action is a wonderful program that I have had the privilege of being a part of. In Kids In Action, we do acts of kindness for others and focus on being the people God wants us to be. One of my favorite things that we have done was making beads. These beads were for the **Beads of Courage** program. This program is for children suffering with cancer. They get a bead for any hard thing they go through. It makes me feel really good that I am impacting the community and having fun while doing it.

Raelynn Chesher, Grade 7
