

January 30, 2020

Greetings, Parents and Guardians!

This is the last call for **FREE registration** for next year! After Friday, we can still take your enrollment, but you will need to pay the \$25 family registration fee. And if someone else applies for your grade level, by law, we must, accept that student first.

If you know of a family who wants to enroll for next year, please let them know we are accepting new registrations starting Monday.

I do want to thank all the drivers who **pick up** their students in the back parking lot after school. Your patience and consideration are an inspiration to me, and an excellent example for your children!

The area directly in front of school was marked **FOR IMMEDIATE DROP OFF**. If you need to park or stop for a while, we ask that you leave the front area open. But if you only need to pull up, have a child hop out and be on your way, then yes, you may pull up in front of school (between the stone pillars) and do that. **PICK UP** needs to be in the back parking lot unless you are late. There is not room in front for cars to park waiting for dismissal. That should be for emergency use only! Please help us out there; it is for your child's safety.
