Greetings, Parents and Guardians!

What can we say? The best laid plans ...got doused with ice and cold! We have been able to re-schedule most of our Catholic Schools Week events, but I think the children preferred the snow days anyway! We do want you to **join us for breakfast**, though, so we are re-scheduling that for **Thursday, Feb. 14**. A Valentine treat for us all!

Progress reports will be coming home in today's folder. If you have ANY concerns about your child's progress, PLEASE contact the teacher now so that we can assess the situation and take whatever steps are necessary to insure you child is ready for the next educational step!

Our school nurse has been meeting with 6, 7, and 8th grade students to help them understand the physical changes going on during puberty. Healthy Visions, a partner with Ohio Adolescent Health Centers Project, met with the students earlier this year speaking about healthy relationships, self image, and other topics relating to growing up. Next week they will be addressing the health and risk factors involved, important information for the students!

Next Wednesday, Feb. 13, Cincinnati Park Rangers will be here to explore more of nature's wonders with our fourth and fifth graders.

And on Friday, Feb. 15, the 5th graders will be spending an extended day **at Camp Joy**. This is always a highlight for the fifth grade, and we hope the weather cooperates and lets them get to experience all the wonderful activities Camp Joy has to offer – including the zip line!

REGISTRATION for next year is now open for all. New families are contacting us, so we're glad you have your child's place secured! If you know of anyone interested in attending St. Boniface next school year, please have them call or stop in ASAP – we don't have many openings, and those will go quickly!

So please join us for **Breakfast with your Students** on Thursday, 7:00 – 7:40 AM!

And we are **closed on Monday, Feb. 18**, in celebration of Presidents' Day.
