Greetings, Parents and Guardians!

We have become aware that the state has been sending out **EdChoice Expansion renewal forms** – but they were the wrong forms! Cleveland has a separate program, and many of you received the renewal forms marked for Cleveland. Please ignore those! We will have **the correct form for you in this Thursday folder.**

**If you have not yet signed your Ed Choice check, please stop in to do so ASAP!**

On Tuesday the 8th graders hosted a **Mardi Gras** celebration for all the classes. Their efforts and your support brought in over \$1000 for St. Jude's Children's Cancer Hospital! Way to go!

St. Boniface's **Friday Lenten Fish Frys** start this Friday, **Feb. 28**, and are held every Friday until April 3! **Primary parents, thank you** for your generous response to our call for desserts! We should be in good shape for those this week. **Next week** we are asking the parents of Intermediate grades (**grade 3, 4, and 5**) to help supply desserts. Watch for the notice in your Thursday folders! Dinners are served from 5 to 7 PM in the cafeteria. Adult dinners are \$10, children \$5.

We will be having a **Book Fair** this year, from Tuesday, **March 10** through the Fish Fry on Friday evening, **March 13**. Students will visit it during their library times. Each child will get a coupon toward the purchase of a book of his or her choice.

Next Thursday the 3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> graders are going to the Taft Theatre for a special production of **Annie!** Permission slips are in the folders this week. We will need them in by Tuesday, March 3.

March?! Where does the time go?! **Daylight savings time** will be springing forward on **Sat., March 8.**

#### Coming Events:

**Tues., Mar. 3** Big Brothers to 4:15  
**Wed., Mar. 4** Beginners Band to 3:30,  
Advanced to 4:15; Boys Basketball to 5:00;
