Greetings, Parents and Guardians!

The school year is rapidly coming to the end! But we still have much to do before all of the children are ready for the next grade level. We are not able to offer a full summer school program this year, but we do have some nice workbooks for primary that they can use during the summer to keep up what they have learned this year. For older student who have failed a subject, we will have work geared to that area for them, and they will be expected to meet with one of our teachers several times throughout the summer to make sure they are “getting” that content and are ready for the coming year.

Next Tuesday, the eighth graders will be “throwing pottery” on a wheel at **Queen City Clay**. Their creations will be on display for graduation!

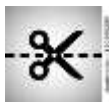

And Friday, May 10, is **May Crowning** at 8:30 in church. Parents are invited and graduation photos will be taken.
