Greetings, Parents and Guardians!

**Report cards** are in today's folder. If your child is struggling or you have a concern, now is the time to meet with the teachers and see what needs to be done to make it a successful year. Spring conferences will be held on Thursday, March 1, from 3 to 5 PM, but if you see problems, please don't wait till then!

**Awards Assembly** honoring the students who have earned good grades, attendance and conduct during this past quarter, will be held in the gym on Wednesday, Jan. 17, at 1:45 PM. All are most cordially invited to attend!

Forty students were served by the Mobile Dentists' Smile program this week. The dental teams were thrilled to have so many take advantage of their offer! Watch for the program next fall for check-ups.

Next week we will be sending home **registrations forms for the 2018-19 school year!** That may seem early, but open enrollment for the Ohio scholarship programs starts Feb.1. We cannot hold places for current students without your registration for next school year. And if you register now, you will not have to pay the \$25 family registration fee.

Looking ahead to Catholic Schools Week, Jan. 29 – Feb. 2, we want to invite you to join your student for **breakfast on Wednesday, Jan. 31**, from 7:00 AM to 7:40. After breakfast you can accompany your student to the classroom, and check out the wonderful art work and writing displayed in the hallways.

We have several **openings for pre-schoolers** this semester. If you know of someone interested, please send them our way!

And, again, **we WILL be off on Monday, Jan. 15**, in honor of Dr. Martin Luther King, Jr.

Coming Events:

- Friday, Jan. 12 – All School Liturgy in church, 8:00 AM;  
Beginners Band to 3:30; Advanced Band to 4:15
- Monday, Jan. 15 – MLK Day – NO SCHOOL
