Greetings, Parents and Guardians!

We had our quarterly **Awards Assembly** on Wednesday, and I am really proud of our students. So many improved their grades from last time. Those who received honors were most gracious, and those who didn't were happy for their classmates. We have wonderfully polite youngsters! If you could not attend, a list of awardees is on the back of this letter.

This week the **registrations forms for the 2018-19 school year are in your folder.** Open enrollment for the Ohio scholarship programs starts Feb.1, and we cannot hold places for current students without your 2018-19 registration. And if you register now, you will not have to pay the \$25 family registration fee.

The 6th and 7th graders will be visiting the Drake Planetarium on Monday, and having fun in their Lego lab. We hope weather won't delay that trip!

And speaking of **weather**, we hope we've seen the end of snow and cold delays for the year. We do call individuals whose current phone numbers we have (check with Mrs. Koenig if you haven't been getting calls), and have found that **Channel 5** is the best for relaying our information correctly. But again, if Cincinnati Public Schools are closed or on a delay, we are closed.

Looking ahead to **Catholic Schools Week, Jan. 29 – Feb. 2**, we want to invite you to join your student for **breakfast on Wednesday, Jan. 31**, from 7:00 AM to 7:40. After breakfast you can accompany your student to the classroom, and check out the wonderful art work and writing displayed in the hallways.

We have several **openings for pre-schoolers** this semester. If you know of someone interested, please send them our way!

Coming Events:

- Friday, Jan. 19 – All School Liturgy in church, 8:30 AM;
