

ST. BONIFACE SCHOOL

.....making a world of difference

November 30, 2017

Greetings, Parents and Guardians!

This year we are trying something different for our **Christmas program**. We know what a busy time it is for everyone, and that many parents can't make the evening performance. So the 5-8 graders Christmas program will be presented live at **1:30 PM on Friday, December 15**. After that, it will be available for all, parents, relatives, and students, through our website, www.stbonifaceschool.net. All are most cordially invited to attend the 1:30 performance, but in case you can't make that, you can still see it through our website. We hope that makes it much more accessible and convenient for all!

And speaking of our website, this year is our time to re-apply for accreditation, and need your feedback as to how we are doing. I know typing in a web address is tedious, so we have a link to the **parent survey** on our website, www.stbonifaceschool.net. That will get you directly to the Survey Monkey site. Please, we need your input on this. Do go to the school website and take a few minutes to let us know how we are doing and what we could do better!

On a different note, our children do not always take what they need to choose from the **lunch salad bar**. Federal guidelines require that they choose $\frac{1}{2}$ cup of fruit and vegetable with each meal, or 1 full cup of either a fruit or vegetable. In order to assure that they get the right amount, the cafeteria staff will begin on Monday to serve the salad bar fruits and vegetable in $\frac{1}{2}$ cup serving containers. **Students may select either a $\frac{1}{2}$ cup serving of two items, or two $\frac{1}{2}$ cup servings of one item.**

Tomorrow the K through 4 students will be **going to Mercy High School** to have lunch and some fun with **their Mercy Buddies**. You may know that this is the last year for Mother of Mercy High School, and our relationship with Mercy has been there for many years. We know our visits with the Mercy students brings them a lot of comfort and joy, so we will continue that throughout the rest of the school year, and hope to establish a similar connection to Mercy-McAuley High School in the fall.

Next Wednesday **grades 6 and 7** will be heading to the **Cincinnati Art Museum** to discover some of the art of early civilizations, and the math of art!

Once again, the **Mobile Dentists** are coming to our school in January. If you have not sent in your permission for them to treat your child, please do so ASAP! If you need another form, please contact Mrs. Koenig, our school administrative assistant, or Mrs. Meyer, our school nurse, at [513.541.5122x28](tel:513.541.5122x28).

Coming Events:

- Friday, Dec. 1 —Primary Prayer Service 8:30 in gym; Beginners Band to 3:30, Advanced Band to 4:15
- Tuesday, Dec. 5 – Big Brothers to 4:15
- Wednesday, Dec. 6 – Boys basketball to 5:00
