Greetings, Parents and Guardians!

We were treated to a lovely **musical performance by the fourth, third and second graders** yesterday. Their teachers did a lot to help them learn the songs for the program, ***For the Glory of the King***, and the children sang well! Thank you, Mrs. Bacon, Ms. Schreiber, and Mrs. Lawrence, for making it possible for your students to shine!

We will be starting the Christmas break after school next Friday. We do have some special things planned for the children this coming week, and we will have treats for them, too. Please check with the classroom teacher before sending in any treats with your student; we often have more treats than either we or the children can handle!

Lately we've noticed a number of students in all levels dragging in for school, coming late, or falling asleep during class. Granted, there are many nice family Christmas programs being offered these days, but they will likely be shown again (and again and again!) so please don't let them rob your child of needed sleep! And being on time for school or any commitment is a value and a quality that will serve a person well all his or her life. It starts now! Future employers will be grateful if you teach your child that being on time is important.

Reminder: when Cincinnati Public Schools are closed **due to weather**, we are closed! When Cincinnati Public Schools are on a 2-hour delay **because of bad weather**, we are closed! **Follow CPS's closings ONLY when they refer to weather-related changes!**
