Greetings, Parents and Guardians!

We're coming up on the second last **Fish Fry** (5 – 7 PM) of the season! We've been blessed with great help and desserts this year. Thank you! This Friday (Mar. 16) we're asking grades 3, 4, and 5 to help bring in **desserts**. For the final week, we'll be asking grades 6, 7, and 8 to help out. The **Book Fair** will be open during the Fish Fry, so you can still catch that if you like!

FYI: our spring musical, ***It's A Jungle Out There!***, was originally scheduled for March 20, but other activities (testing among them) and days off have eaten into the preparation time. We are re-scheduling the spring musical for Tuesday, April 17. Please mark your calendars – you won't want to miss this off-Broadway hit!

We try not to have too many rules about things, but we do need more specifics about dress code that for some other areas. I know students want to be special and different at times, with fancy nails and multicolored hair, etc. The problem is that, while they can be very lovely, they are also very distracting both to the wearer and to other students. Why not save that for the summer? Please check out the **Uniform Dress Code items**, reprinted on the back of this newsletter. And thank you for your cooperation on that!

Third Quarter **Awards Assembly** will be held on Wednesday, March 21, at 1:45 in the gym. You are welcome to come and celebrate the academic successes students have achieved in the third quarter.

Friday our 4th and 5th graders will be visiting the Cincinnati Art Museum. They will be investigating the exploration, colonization and creation of the United State through art., relating to their social studies lessons. Be watching for those permission slips!

Students who receive services from Ms. Kunkel, the Title 1 teacher, are bringing home the **Title 1 Parent Survey** today. Please complete and return this survey to school. All students who return their survey by March 27 will be entered into a drawing for a gift card.

Because of other commitments, we are not going to be able to provide summer sessions here this year. Look for information about some **summer workbooks** in this week's folder!
