Greetings, Parents and Guardians!

We want to congratulate the 5th, 6th, 7th, and 8th graders on their amazing production of *Lion King* this week! The music, acting, costumes and sets were outstanding. Many students surprised even their parents with their performances. We are all so proud of you! Of course, nothing of the magnitude of *Lion King* could be accomplished without the long and diligent efforts of Mrs. Cooper, Mrs. Hampton and Mrs. Kampel, our extremely talented teachers, making the music, costumes and sets so wonderful. A huge THANK YOU to all who had any part in bringing out the talent of our students!

March and April are not so affectionately known around schools as the testing season. We have completed the Archdiocesan required IOWA Tests of Basic Skills in grades K through 7, and **next week will be moving into the Ohio state tests** of reading and math for grades 3 through 8. The IOWA scores that we have received so far attest to the hard work our students and teachers are doing. Scores that would be expected to drop because of new forms, new norms and now being taken online actually rose! Good job, Everyone!

This coming week, grades PK – 2 will be watching the Playhouse in the Park's production of **Five Little Monkeys** here at school on Wednesday, and Grades 6, 7, and 8 will be visiting the **National Underground Freedom Center** on Friday.

And the **last Fish Fry** of the year will be Friday, April 12. We're asking the primary grades (PK-2) to help with desserts for this final dinner. And if you haven't had a chance to try it for yourself, I think you'll find the dinners a good value for the price!

Only ten school days till Easter Break!
