Greetings, Parents and Guardians!

Can you believe we are down to the last two weeks of school??!! Sunshine and warm weather can surely wreck havoc on the children's ability to focus on school work. But the reality is that we DO have work to complete these last weeks. So, yes, there will be homework coming, and yes, they do need to get enough sleep! We certainly appreciate all you can do to help make these final weeks as "routine" as possible!

Several of our students have been deepening their relationship with Jesus. Lylah Jones received her **First Communion** here at St. Boniface last Sunday, Happiness Niyukuri, Diana Mutuyimana, and Josep Igaba will receive their First Communion at St. Leo's this Sunday, and Jimmy Mugisha and Jessica Mutako also made first communion in their church. Congratulations to all, and our prayer is that you will continue to grow in God's love and grace!

Tuesday, May 15 is the final **TaeKwonDo** class of the year. Master Park will be here on Field Day, May 24, to present the TaeKwonDo awards for the year. Hopefully, the students have grown in respect, responsibility, confidence and character, as well as self-defense through TaeKwonDo.

This coming week our Third Grade class will be showing off their great moves at **Cincy Dance!** when they join several hundred other third graders in Washington Park on Wednesday. The Cincinnati Ballet Company has been sending a representative to work with our children several times this year, and they are ready to dance with the best. Have fun, Third Grade!

And Thursday, May 17, is our school-wide trip to **Web Extreme!** I don't think there is any event so anticipated and enjoyed as this outing! Students do wear their uniform clothes, and hopefully all are on time so as not to miss the bus (literally!). Lunch will be provided, but be sure your child's permission slip for the trip is signed and delivered. I'd hate to have your child miss it because we don't have your permission. You'll find the permission form in this packet – on hot pink!

Friday, May 18 is **Pre-school Graduation**. Our youngest students have learned much and grown a lot while with us this year. Some will be continuing with us as Kindergarteners. We wish them all the very best as they continue their educational journey!
