

ST. BONIFACE SCHOOL

.....making a world of difference

August 17, 2017

Greetings, Parents and Guardians!

Welcome, welcome, welcome! I hope you had a relaxing and enjoyable summer! We've been busy sprucing ups, cleaning out, installing new LED lights, and gearing up for another wonderful school year here at St. Boniface!

This Thursday folder is packed with all the forms and paperwork we are required to have on hand in order to serve and protect your child. There are medical forms, permissions for internet use, cell phone use, photo release, etc. We know it's a lot, but we do need it as soon as possible. If you can have that back by Monday, we'd really appreciate it!

If you are dropping your students off in the morning, we do ask that you try to be on the school side of the street if possible. If you need to come into the office, please park further up or down the street so as to not block the drop-off area. The School doors open at 7:15 for those students going to breakfast. At 7:30, the classrooms will be open for all students. Just know that if your child arrives before that time, he or she will need to wait outside in good weather.

We so appreciate your cooperation in NOT sending store-bought, icing –laden cupcakes for birthday treats. These had become a real problem, getting all over hands and clothes, even staining the floor! We also learned that Federal lunch laws require that any food brought into the cafeteria needs to be individually wrapped. So please consider cookies, brownies, cheese crackers or other treats that are individually packaged and can be given out with a minimum of mess, but **NO CUPCAKES!** Thanks so much!

Hopeful by now your child/children know how they will getting home after school. We know that from time to time there are changes in these plans. Whenever that happens, please call the office before 2:15 (513-541- 5122) so we have time to get the message to your students, bus monitors, and anyone else who needs to know.

We'll have more great news in Thursday letters to come, but we know you have much to do, so enough for now. Welcome again – and we'll be in touch!

All best wishes,

Sister Miriam
and all the Staff at St. Boniface School
