

# ST. BONIFACE SCHOOL

.....making a world of difference

September 19, 2019

Greetings, Parents and Guardians!

We know that having enough food on hand for children can sometimes be a problem, especially on weekends. That is why St. Boniface has participated in the FreeStore/FoodBank's **Power Pack program** for a number of years. Power Packs are small packages of kid-friendly foods and snacks given to children on Fridays to help tide them over the weekend. Sometimes we find that the youngsters only like certain things and throw the rest away! Unfortunately, the price of the Power Packs has gone up over the years, while the need seems also to have risen. If your child needs the food supplement over the weekend, we are happy to provide it. If, however, your child **doesn't need or care for the food in the pack**, please let us know and we will be able to re-distribute that to another child. Thank you for that consideration!

**School photos** are scheduled for Wednesday, September 25. The pricing forms are in today's folder. Children may **wear other outfits** than the uniform. **ALL children will have their photos taken** whether you care to purchase them or not. These are for our files and school projects, not for publication.

We still need some **forms completed and some medication with physician's prescription and signature**. We must include emergency medical forms AND the medication for children on every field trip, just in case but hoping to never have to use them!

Seventh graders need to have the **meningococcal immunization by Oct. 4** or we are mandated by the state to exclude them from school. We have not had to do that for any child YET – we wouldn't want your 7<sup>th</sup> grader to be the first!

The Cincinnati **Fire Department** is holding an **Open House** day on **Sunday, October 6, 2019** from 1:00 PM to 5:00 PM. Engine 3 (329 E. 9th St.), Engine 17 (2101 W. 8th St.), Engine 20 (1618 Blue Rock Road) and Engine 31 (4401 Marburg) will be participating in this Open House. All are welcome!

**Friday, September 27, is a fall break day, so there is NO SCHOOL on Friday, Sept. 27!**

#### Coming Events:
