

# ST. BONIFACE SCHOOL

.....making a world of difference

September 26, 2019

Greetings, Parents and Guardians!

Whew! What a weekend!

Early last Saturday morning, a drunk driver plowed into one of the stone columns surrounding the front of the school building. The driver was unhurt, but the stone pillar was demolished! Then sometime Saturday night, a water line in the staff room broke, sending some water into the edges of the kindergarten and music rooms. The biggest “hit”, though, was the library. Water leaked through the ceiling tiles and did extensive damage to the library and the offices adjoining it. The clean-up began soon enough that there is no danger from mold, but the flooring in the damaged area needs to be replaced. Obviously, there will be no library services until further notice!

That leads me to this very, VERY vital request; PLEASE!! Whenever you get a **new phone or change phone numbers**, let us know right away! We can only contact you through **OneCall**, and if your number is not current, or your mailbox is full, or you don't listen to the message, you won't know what is going on! Who would have thought we'd need to contact you this early in the school year. All the more reason we need those information sheets and current contacts. Thanks for keeping that in mind!

**School photos** were taken yesterday, and prints should be back in a couple weeks. If you are not satisfied with the photo, or missed the initial photo shoot, those will be re-taken on Wed/, Oct. 30.

We still need some **forms completed and some medication with physician's prescription and signature**. We must include emergency medical forms AND the medication for children on every field trip, just in case but hoping to never have to use them!

Seventh graders need the **meningococcal immunization by Oct. 4** to avoid being excluded from school. We have not had to do that for any child YET – we wouldn't want your 7<sup>th</sup> grader to be the first!

The Cincinnati **Fire Department** is holding an **Open House** day on **Sunday, October 6, 2019** from 1:00 PM to 5:00 PM. Engine 3 (329 E. 9th St.), Engine 17 (2101 W. 8th St.), Engine 20 (1618 Blue Rock Road) and Engine 31 (4401 Marburg) will be participating in this Open House. All are welcome!

## Coming Events:

**Fri., Sept. 27 NO SCHOOL - Fall Break Day**

**Tues., Oct. 1** Big Brothers to 4:15

Girls Basketball to 5:00

Girls on the Run to 4:00
