

St. Boniface School

...making a world of difference

April 8, 2020

Greetings, St. Boniface Family!

And a very blessed Easter to you – despite all the craziness in the world right now! We hope your child/ren enjoy the Easter treats and activities we have assembled for them.

Next week, Easter week, has been scheduled as our Spring Break. Our teachers have been working very hard, and we all need a break. Therefore, we **are not sending out any NEW work** this week. **Your students will have until Friday, April 17, to complete any assignments they already have**, and get that returned electronically or hard copy. We have a DROP OFF BOX by the back door nearest the church (the old Pre-school entrance). Just be sure to have your child's name on work dropped off so they get credit for it! You may need to remind your students that this time is NOT vacation! It is school in a different way. And **they ARE responsible for completing the work assigned.**

The **Traditional EdChoice applications** are late, but they are being mailed to you from the state. If you want or need to get those now, please email Mrs. Galbraith (our school secretary) at egalbraith@stbonifaceschool.net, and she will send you the application form electronically. If you have **Ed Choice Expansion**, please get those documents in to Mrs. Galbraith (email above) ASAP. Call 541-5122 if you need help with that.

How are things going at home? We highly recommend setting up a schedule for the students; it keeps them focused and gives them the security of knowing what is expected of them, and what comes next. Get up at ---, breakfast at ---, school work from (9-11?), free time, lunch, complete school work and reading, free time – outside if possible, and so on. I know your teachers will be happy to help you schedule if you want to check with them!

We have listed **food sources** on the back of this letter. McKie, Millvale, and College Hill recreation centers also distribute food packs, as does the Westwood Town Hall. You will need to check with them for times.

And as always, if we can help in any way, don't hesitate to call. There is generally someone in the school building between the hours of 9 AM and 2 PM.

Very best wishes, and a most Happy Easter to you!
