

St. Boniface School

...making a world of difference

BLAZE-ing Updates

Updates and Reminders:

- **Please make sure to send your student to school with a mask.** We have back-up disposable masks if needed but this should be a rare support afforded students. Please invest in masks for your student so we can keep one another safe.
- EdChoice checks are going to start coming in. We use this funding resource to keep tuition and fees at a minimal level. It is of the utmost importance that you turn in your EdChoice Form giving St. Boniface permission to deposit checks. Please do this immediately if you have not already done so. Remember whether or not you receive the voucher is dependent upon student attendance (including absences, tardies, and early dismissal) make sure students are here, on time, all day (UNLESS they are sick or showing Covid-19 symptoms).
- New Students must turn in their shot records and 7th grade students must update their immunization records with Nurse Kim Wilson: kwilson@stbonifaceschool.net. Let her know if you have any questions or concerns. The deadline is October 1st.
- A copy of the Student Handbook is on our website: www.stbonifaceschool.net. It can be found under the "Parent's Page". Please take time to make sure you have read through it with your student.
- You cannot park on the school side of Pitts Avenue during dismissal OR arrival. Students picking up and dropping off their students should be using the back lot.
 - **You cannot park in the lower parking lot to pick up your students in the afternoon.** This is a safety hazard and it is also unfair to the parents who are following protocols by lining up in the parking lot behind the school. All families and cars are now *consistently* cleared from our lot by 2:25pm. Please follow these guidelines and be patient so that we can keep our students safe.

Peace,

Paul Ebert

Principal
