

# St. Boniface School

...making a world of difference

## BLAZE-ing Updates

### Updates and Reminders:

There has been a too much petty and even some serious physical/verbal altercations between students at school recently. I understand that we are in a mode where many students are literally re-learning how to do school after last year where so many students were out of the building, but fights are not tolerated at St. Boniface School. Students are being told they have one job when they are here, and that is to learn. Anything that gets in the way of that for them or their peers, must be squashed. Behaviors like: not following classroom procedures, disrupting the learning environment, defiant, rude interactions with adults or peers, physical outbursts (hitting a peer, the desk, a chair, etc.) You get the picture.

Students need to remember how to “act right” in school or they have to consider if they want to be part of this community long term. We have a lot of ground to make up in our learning and any time students spend out of the classroom for disciplinary reasons only further disrupts their learning and ability to catch-up. Please make sure to talk with your student about what appropriate behavior looks like in school and that I have HIGH expectations for them as young learners and people.

- Just two weeks left until the end of the quarter! Students need to get their grades where they need to be, and the best way to do that is to make sure there is ZERO missing work! Contact your classroom teachers if you have any questions.
- Parent/Teacher Conferences are coming up! Please make sure to fill-out the form in the Thursday folder and return it as soon as possible so we can organize times for you to meet with teachers.

Peace,

Paul Ebert  
Principal
