We are also blessed with a host of tutoring and social services, and wonderful volunteers! We are so fortunate to have such great resources here for you and your students. Please don't hesitate to ask if there is something we can do to help you, your student or your family.

Be sure to encourage your students to complete their **Summer Bridge** books. We have some very special prizes for those who do!

**Orientation for New Families**, students, parents and guardians will be held on **Monday, August 7**, in the cafeteria at 9:00 AM. There will be lots of information and time to answer any questions you may have. Some school supplies and uniform clothing may also be available.

And once again, get ready for **ALL those FORMS!!!** Yes, we do need you to fill out transportation information, ED Choice applications, medical emergency forms, government forms for free/reduced lunch (even if you don't qualify!), computer use, photo permission (or not), cell phone permission, etc. We don't like them any more than you do, but we must have them on hand, and do need them in order to get certain advantages for our students, so do fill them out and return them ASAP. We hope to not have to bother you with any more after that!
