

ST. BONIFACE SCHOOL

.....making a world of difference

July, 2018

Greetings, St. Boniface Family! And welcome to the 2018-2019 school year!

This summer we have been busy cleaning up and clearing out from the past year, and getting many things ready for the coming school year. Our enrollment is stronger than ever, and we are excited about welcoming both our returning and new students, including our PreK students, the future class of 2028!

We have a top-notch **faculty** and a strong support staff ready and **eager** to serve your children. We are also blessed with a host of tutoring and social service opportunities, and wonderful volunteers! We are so fortunate to have such great resources here for you and your students. Please don't hesitate to ask if there is something we can do to help you, your student, or your family.

It seems every school year starts off with a bundle of those pesky forms that **need to be filled out**, revised, renewed. We have Title Eligibility forms (free/reduced lunch), emergency medical cards, internet permission, photo releases, cell phone permissions, and more, including your new School Handbook. Instead of sending these out in Thursday folders and hounding you to get them in ASAP, we thought we would offer the chance to get all that finished in one step. We are planning **Fill Out Forms Days on Wednesday, August 8, from 1 PM to 6 PM, and Thursday, August 9, from 7 AM to 1 PM.** We hope one of those times will meet your schedule, and we'll be here to help

answer your questions. Do plan on stopping by during those times, and bring your address labels! We are required to have this information on hand, and also need it in order to get certain advantages for our students. We hope to not have to bother you with any more after that!

Orientation for New Families, students, parents and guardians will be held on **Tuesday, August 14**, in the cafeteria from 9:00 AM to 10 AM. There will be lots of information and time to answer any questions you may have. Some school supplies and uniform clothing may also be available.

If we need to contact you during the school year, we will be using an automated system known as ONE CALL. We will input the phone number you have given us on your registration form, and that will be where you will receive any emergency messages. **Please listen to the message** before calling the school; we may not be available to take your call.

UPCOMING EVENTS:
