

St. Boniface School ...making a world of difference

News from the Principal

April 22, 2021

Hello St. Boniface families,

Mother Nature decided to keep us guessing this week - is it spring or are we still in winter??

In this week's Thursday Folder you will find the calendar for next school year. Please bear in mind that one of the lessons of the pandemic is that we sometimes need to change due to unforeseen circumstances. We hope to add worship services back in next year, as well as many other activities we have put on the back-burner this year. We will be able to do this as state guidelines are updated. Thank you for your patience.

As we prepare for next school year, it is difficult to know what safety measures will still be in place as a result of the pandemic. Questions about face coverings, required social distance, and quarantine requirements will probably not be answered until sometime during the summer. As always, our students' and staff's safety is our primary concern, and we will continue to look to the CDC, the State of Ohio, Hamilton County Public Health, and Children's Hospital to provide the best guidance on all matters related to the pandemic.

At this time, we are also fully committed to providing the best possible education for our students. We are proud that we have been able to provide a remote learning option this year as a response to a crisis situation. However, we are mindful of the fact that the best possible education takes place in the classroom. Therefore, with the start of the 2021-2022 school year, **St. Boniface will NO LONGER OFFER a long-term remote option.** Depending on the guidance that we receive on quarantine requirements, we will work to develop policies and procedures for those students who are required to quarantine as a result of the pandemic.

Just a few more reminders from the office:
