

St. Boniface School ...making a world of difference

News from the Principal

May 20, 2021

Hello St. Boniface families,

I would like to start off by acknowledging our 8th graders, the Class of 2021! As they prepare for graduation on Wednesday, I want to wish them all the best as they transition into high school. This has not been an easy year, but they have handled it with grace and determination. Their leadership has been a blessing and I want them to know how truly proud I am of them. They make St. Boniface a better place, and for that, I thank them. Please join me in wishing them well and extending God's blessings upon them, now and in all their future endeavors.

Student Computers: ALL computers must be returned no later than the last day of school, Friday, May 28, 2021. This message mostly applies to those who are still remote learners and have a school computer at home. Please note that report cards and/or school records will not be sent out until we have received the computer back. This includes 8th grade records that need to be sent to high schools. Computers may be dropped off in the main office or arrangements can be made with your child's teacher. Thank you for your cooperation with this.

Registration - We are currently enrolling for all grades for the 21-22 school year.

TaeKwonDo Awards: TKD awards have been given out and we are so proud of our students who have worked so hard this year! A special thanks to Master Park. We are so blessed that our students are able to learn from his guidance and example. We thank him for all of his hard work and are so fortunate to have him and this amazing program!
