

St. Boniface School ...making a world of difference

News from the Principal

November 4, 2020

Ed Choice checks are in as many of you know. Please stop by the office to sign yours. We will also try to catch you in the lot at pick up.

Report Cards are going home today. Look for them in today's Thursday folder. Remote Learners - your child's report card will be mailed to you this week.

Sweatshirts - some of the St. Boniface sweatshirts have been distributed, but due to the Covid-19 demand and shipping issues, the balance of the order will not be coming until the week of November 9th. All orders should arrive by 11/13, at the latest.

Giving to those in need - As part of the Thanksgiving celebration and prayer, we want the children to be able to "Give" to those in need. Funds are very tight for many of us, and so we would like to offer the children an opportunity to do some extra "work or chores," or to do something that is a particularly kind action. In turn, they can earn food for those in need. They will bring home a "GOLD COIN." If you believe that what they do is worthy of "payment," just sign the "coin" and have the child return it to school. We will then buy food and give it to our St. Vincent DePaul Food Pantry. All you need to do is sign as an indication that they have "worked" for the food. The children can earn as many coins as you wish.

With the coming of colder and more hazardous weather, we want to be sure you get any **announcements of schools closings. When Cincinnati Public Schools are closed, we are CLOSED! When Cincinnati Public Schools are on a 2-hour delay, we are CLOSED!** I know CPS is on a staggered schedule right now, but we receive their bus service so it is my understanding that even if they are not in school, they will still make the call. We will use OneCall to contact you directly if we have your current phone number, and you can always follow the school closing reports on television. I will also post any closings to our social media pages - Facebook, Twitter, and Instagram. If you are not following us yet, now might be a good time!

8th Grade Families - High School application deadlines are quickly approaching! Each school is a little different, so please check to make sure you are not missing anything. If you have any questions, or need help navigating the process, please do not hesitate to reach out to me or to Mrs. Childs.

Our Covid number still stands at zero. This is a testament to all of you and our wonderful staff here at school! Please keep doing your part to keep everyone safe - mask up, avoid large gatherings, social distance, and keep praying!!
