

St. Boniface School ...making a world of difference

News from the Principal

February 24, 2021

Hello families,

Iowa/CogAT Test - Testing will begin next week (Tuesday, March 2). Please see enclosed Iowa/CogAT Testing Letter in this week's Thursday Folder.

Morning Drop Off - Just a friendly reminder that all car riders should be dropped off in the carpool line in the back lot. The front entrance of school is for bus riders only. This allows us to properly social distance, take temperatures, and get the correct amount of breakfasts distributed to students each morning. Thank you for your cooperation in this matter. When everyone follows the guidelines, our morning drop off runs so smoothly!

Snow Days - As you know from previous newsletters, we have some time we need to make up. We have two scheduled off days coming up that will **now be remote/working days for ALL students**. The first is **this Friday, February 26**, and the second will be our **March 12**, scheduled teacher inservice. Teachers will inform students of work that needs to be done. Teachers will be available those days for questions and/or Google Meets (if appropriate). Hopefully our snow days are OVER and we won't have to worry about making any other days up!! Another reminder that we have already planned on having REMOTE LEARNING days for ALL when our teachers get their 2nd COVID vaccine - this will occur next week on **Thursday, March 4, and Friday, March 5**.

Ed Choice - Ed Choice renewal forms are up and ready on the website. If you receive Ed Choice Expansion, you will also need to fill out an "income verification form." As soon as you have those ready, return them to Mrs. Galbraith in the main office.

Registration - we are currently enrolling for all grades for the 21-22 school year.

Conferences - Parent/Teacher Conferences are this week (Thursday). If you have signed up for a conference, you should have received a confirmation in last week's Thursday Folder or by email. If you are not sure of your time, still need to sign up, or can not make your assigned time, please contact your child's teacher. All conferences will be conducted either by phone or virtually.

Coming Events:

Tuesdays: Big Brothers (3:00)

Wednesdays: Band (after school)

Thursdays: Big Sisters (3:00)

Thursday, February 25, 2021

Parent/Teacher Conferences (phone or virtual)

Friday, February 26, 2021

No in person classes - REMOTE LEARNING for ALL (was an off day for conferences)

Monday, March 1, 2021

Iowa Testing to begin and continue into March

Thursday, March 4, 2021

REMOTE LEARNING for ALL (staff 2nd COVID vaccine)

Friday, March 5, 2021

REMOTE LEARNING for ALL (staff 2nd COVID vaccine)

Friday, March 12, 2021

No in-person classes - REMOTE LEARNING for ALL (was an off day -Teacher Inservice)

Best wishes,

Angie Heisel

St. Boniface School ...making a world of difference

Iowa & CogAT Testing Information

February 23, 2021

Dear St. Boniface Families,

CogAT Testing for grades 2, 5, and 7, will be next week on Tuesday, March 2, and Wednesday, March 3. Iowa Testing for ALL grades will begin on Monday, March 8, and will continue through Wednesday, March 17. It is imperative that your child is on time for school during testing. If your child is late, he/she will not be able to take the test at the designated testing period and will have to miss class time to make up the test. In addition, I ask that you do not schedule any doctor or dentist appointments during this time so as not to interfere with testing.

Testing week can be an anxious time for students, as their regular schedule is interrupted and the school day as they know it changes. You can help your child(ren) alleviate some of this anxiety by doing the following:

- Talk to your child about testing week and reassure them in a positive way.
- Remain calm and discuss the confidence you have in your child.
- Give your child a nutritious breakfast each day of the test, or make sure they get to school on time to receive breakfast at school.
- Don't argue or have an upsetting conversation the mornings of testing. Try to keep the morning routine the same.
- Celebrate the end of testing week for yourself and your child(ren).

Please encourage your child to try his/her best on the test. The results of these tests are used in many different facets here at St. Boniface and while they are important, they are only one measure of what he or she has learned.

Thank you in advance for your assistance in this matter. If you have any questions, please reach out and contact me.

Best wishes,

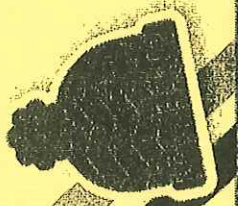

Angie Heisel
