

St. Boniface School

...making a world of difference

BLAZE-ing Updates

Updates and Reminders:

- Last week we had 7/194 students with their **Emergency Medical Authorization Form** and **Health History Form** submitted to the nurse. This week we have 76/194 students with their Emergency Medical Authorization Form submitted! That is quite an improvement, but still problematic.
 - If your students do not have their Emergency Medical Authorization and Health History Form submitted by next Thursday, October 7th, they will not be permitted to return to school on Friday or any day after until the forms are completed. This will count as an unexcused absence and could jeopardize EdChoice scholarship funding for families.
 - If you have already submitted the form, do not re-do it. If you have questions contact Nurse Kim Wilson at kwilson@stbonifaceschool.net or call her at (513) 541-5122 x28.
 - Classroom teachers, Mrs. Galbraith, and Mr. Paul do NOT have the report of who has turned in these forms, that information stays with Nurse Wilson, please speak directly to her.
- **Please make sure to send your student to school with a mask.**
 - Today I only had to hand out 4 masks!!! Thank you for your help and cooperation for making sure to send students with a mask to school. Please continue to do so in the days ahead.
- If your students are quarantining or out for an extended period of time, we will communicate a date to come pick up work for them to do. We will not follow-up with a call that the work is ready to be picked up. Please make sure to come get the work when we tell you it will be ready so students can stay on top of learning and assignments.

Peace,

Paul Ebert

Principal
