

St. Boniface School

...making a world of difference

BLAZE-ing Updates

Updates and Reminders:

- **Dismissal:** Parents are ONLY allowed to pick-up students who are car riders in the parking lot behind school. Parents/guardians are not allowed to pick students up on Pitts Avenue outside the front of the school. Please follow the directions so we can keep everyone safe.
 - Now that we have a good amount of the bus situation under control, there are a lot more students out front. Since people are not following the car pick-up directions we have a dangerous set of circumstances in front of the school which is what we are trying to avoid with our current dismissal policy.
 - Dismissal takes less than seven minutes now! I will be out front for the next week helping to make sure we are all following directions and doing our part to keep students safe. Please cooperate make sure you pick up your student in the back parking lot only.
- Parent/Teacher Conferences are coming up! Please make sure to fill-out the conference form sent home in the Thursday folder and return it as soon as possible so we can organize times for you to meet with teachers.
- Wednesday, October 13th you received an email survey about internet/Wi-Fi access for your student should we need to move to remote learning. There is no imminent plan or even a desire to move to remote learning, but we will be prepared to do so should we need to this fall/winter. Our number one priority is your student's ability to learn, and we believe that is best done in person. If, however, there is another spike in cases as there was last year, and we are forced to go to remote learning, I want to make sure we are ready so your students have the best chance to thrive. So long as we are all doing our part to keep one another healthy, we should be fine.

Peace,

Paul Ebert

Principal
